

# The Holley Institute

Dear Parent(s),

You want to participate in the summer programs at the Holley Family Village (HFV) and we want you to join us! We have a very limited amount of scholarship money and would appreciate participants who can pay in full to do so, allowing the financial aid to be used for families in need. To be considered for financial aid you must complete the following form and mail it to HFV before May 10, 2012. A letter of recommendation from your son's or daughter's teacher *must* accompany your application. You may be contacted to answer questions regarding your request and financial status.

Please consider all avenues of your financial resources when applying for financial aid. For example:

- Contact your local service clubs (i.e. Lions, Kiwanis, Rotary, etc.) to see if they will help pay for your son/daughter to attend the summer programs.
- Contact your church and see if they sponsor children to attend summer programs.
- Ask grandparents/relatives instead of buying gifts for your child, to give a gift that will last a lifetime, the gift to go to HFV.
- Talk to your school about including summer programs in your child's IEP.
- Have a fundraiser at work to support sending your child to HFV (i.e. a jean day, bake goods sale, etc.).
- Consider a payment plan (i.e. send \$50 a month).

The summer programs at HFV are a life-changing opportunity and we do not want anyone to miss out! We will do our best to help those requesting financial aid. If you have any question about the financial aid process, please feel free to call Ardis Gardella at 313-363-5241.

## Financial Aid Application

Participants Name: \_\_\_\_\_ Date: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Email: \_\_\_\_\_

**1. Which Program are you requesting financial aid for?**

- \_\_\_\_\_ Youth Career Exploration & Development Week
